1. Accidents

The committee reviewed accident statistics. Two accidents occurred in the latest reporting period. No action was taken.

2. Goals

There was a discussion of goals for 2015, arising from the list generated at the previous committee meeting. David Cohen suggested that the committee should seek representation on the Site Plan Review Advisory Board (SPRAB) to ensure that bicycle accommodations are included in future site plans. The latest list of goals is attached as an appendix to these minutes.

3. Map

The committee made final changes and revision to the paper bike map. The map will now be sent for printing.

3. Updating the PBAC website.

Sam Bunting reported that Tineke Theo had expressed an interest in overhauling the PBAC website at pjbac.blogspot.com. He will circulate potential new designs.

Next meeting: December 18

Appendix: Latest version of draft list of goals.
