Staff Spotlight - Vikki Caines

What's in a Title?

Meet Vikki Caines, Team PRD's 'Jack-Of-All-Trades', resident gardener, Customer Service Supervisor at CP Pool, Supervisor of Men's & Women's Platform Tennis, Coordinator of the community garden plots, Family Golf, Kids Aquathon and much more! A 15-year employee of Princeton, Vikki began as a Secretary in 1998, became Administrative Secretary in 2003 and was recently promoted to Administrative Assistant.

But don't let the title fool you; Vikki has her fingerprints on much of what the Princeton Recreation Department does throughout the year and it has little to do with being our Administrative Assistant.

Vikki has recently coordinated community bus trips to Radio City Music Hall's Christmas Spectacular, The Barnes Museum, The NYC Quilt Show, Philadelphia Flower Show and the Philadelphia Mural Tour. Vikki took over the programming and scheduling of the long-running Platform Tennis Leagues in 2010, injecting new energy into the existing leagues and building a newly formed Women's League from zero to upwards of 30 participants in two years. Vikki also plays the lead role in many PRD special projects such as Community Night Out, CP North amphitheatre events, and many others.

Vikki's passion has always been gardening. In 2004, Vikki transformed a small area of overgrown weeds located behind the towns' garbage and recycle dumpsters into the amazing garden known as Marchand Meadows. Vikki named the garden after her long-time friend, former Princeton Township Mayor Phyllis Marchand. Marchand Meadows has been a source of enjoyment for everyone who discovers it, and what most people don't know is that this is a volunteer effort on Vikki's part. Over the course of the last nine years, Vikki comes to work early and stays late to tend to her garden. As Vikki has been known to say, "Marchand Meadows is my contribution to my community." Vikki lives and breathes the Team PRD motto of "Whatever it Takes".

Vikki is a proud native of Trinidad & Tobago and visits her friends and family there each winter. Vikki is a Princeton resident and the proud mother of two beautiful daughters, Zabrina & Zalima, the latter of which is a recent graduate of The University of Pennsylvania.

If you run into Vikki at her gardens in the early morning, don't be afraid to say 'Mornin Mornin' (a favorite Trinidadian term) and ask her for a tour of Marchand Meadows. You will not be dissatisfied!

Fall/Winter Youth & Adult Sports Programs

Dillion Youth Basketball League

The Dillon Basketball League is a recreational league for boys and girls in grades 4-9. The Dillon League is a cooperative effort between the Princeton Recreation Dept. and Princeton University, in which all of the coaches are Princeton University students. **Based on the availability of gym space, games are sometimes played while the University is on a break. In these instances, PRD staff fill-in as team coaches. Player registration begins October 1 and ends November 15th.** Space in the program is limited. Once the team limit is reached in each division, players will then be added to a waiting-list.

Registration Fee: Princeton residents - \$83. Nonresidents that attend school in Princeton - \$165.

Games are played Saturday mornings at Dillon Gym. Occasionally, games may be played on weeknights at Dillon or at other Princeton-area gyms. Games will begin in December. Players will be split into divisions based on their grade. The divisions are as follows: 4th & 5th grade boys, 4th & 5th grade girls, 6th & 7th grade boys, 6th - 9th grade girls, and 8th & 9th grade boys. Teams will be assigned by the Princeton Recreation Dept. basketball staff based on their knowledge of the players from previous seasons. The basketball staff will also use age, grade and height as factors when creating the teams.

5th & 6th graders can play Dillon and Travel Basketball (if selected to the travel team). Players in grades 7 - 8 are NOT allowed to play both Dillon and Travel. If you would like to register for Dillon prior to the Travel team tryouts you can do so, and we will transfer your registration fee towards your travel team fee if you are selected to the travel team. This will guarantee your spot in the Dillon program.

4th Graders ONLY: There will be a fourth grade evaluation night for all 4th grade boys & girls held at JW on Monday, November 11th. Times TBD. Full Game schedule to be released after Dillon registration is complete.

For more information, contact Joe Marrolli: jmarrolli@princetonnj.gov

Travel Basketball League

Princeton Recreation Department will organize teams to compete in travel leagues throughout Central New Jersey. Princeton Recreation plans to have entries at the following grade levels: 5th/6th Grade Girls, 7th/8th Grade Girls, 5th Grade Boys, 6th Grade Boys, 7th Grade Boys and 8th Grade Boys. **Registration Fee: \$129 plus a \$42 uniform fee.**

To be considered for the travel basketball teams you must attend the tryouts. Tryouts will be held over the course of two weeks in late October. **Please check our website or local papers for tryout dates & times.** Because this is a competitive travel program, not everyone will make the team. There will be players that try out but are not selected for the team. In this case, we highly recommend that you participate in the Dillon Youth Recreation Basketball League. Tryouts for the Princeton Recreation travel basketball teams are open to Princeton residents and in some cases to nonresidents that attend school in Princeton.

Games are generally played one day per weekend at a site within the Central Jersey area. Teams practice 1-2 evenings per week at Princeton-area schools. Some teams may choose to play in an additional league(s).

For more information on Travel Basketball, contact Evan Moorhead: emoorhead@princetonnj.gov or check our website: www.princetonrecreation.com

All PAWS Wrestlers need a PAWS wrestling singlet. If you have one from last season that still fits, or if you have a hand-me-down that fits, there is no reason to buy a new singlet. **Singlets can be purchased through our registration site for \$67 each.** A size chart is available to view online. Sample singlets are available at the Princeton Recreation Department office for wrestlers to try on if necessary.

Tiger Cubs Wrestling - Introductory Program

Tiger Cubs wrestling is designed to introduce boys and girls in grades K – 2 to the basic fundamentals of wrestling.

Participants will be taught the importance of stretching, conditioning, physical fitness and following instructions. In addition, each one-hour practice will focus on one wrestling concept. Competition will be de-emphasized. It is mandatory that an adult participate with the child in Tiger Cubs activities. The program meets on Saturday mornings from 9 – 10 am at Jadwin Gym on the campus of Princeton University. Tiger Cubs runs from mid-November through late-January.

Registration fee: \$114 for Princeton residents and \$140 for nonresidents. Follow the link on the bottom of this page to register. PAWS & CUBS are located under "2013/2014 Fall/Winter Youth Sports". Ice Skating

Throughout the winter season, the Princeton Recreation Department will monitor ice conditions in three locations. The only three sites authorized for skating are the pond in Community Park North, the pond in Barbara Smoyer Park, and Lake Carnegie between the Harrison Street and Washington Road bridges. The Princeton Recreation Department staff will check the ice to determine if the areas are safe enough to conduct skating activities.

**RED FLAGS INDICATE THAT THE ICE IS UNSAFE FOR SKATING.
WHITE FLAGS INDICATE THAT THE ICE IS SAFE FOR SKATING.**

Ice-skating is not permitted if the ice is snow covered. Skating may be permitted when the ice is a minimum of 5" thick in the entire authorized area AND the surface is considered safe (meaning the majority of the surface is smooth not rough, bumpy or jagged) Skaters are reminded that the sites are natural bodies of water. Some areas of the sites may have a few surface irregularities. Therefore, skating is at your own risk. **If a red flag is up, it is up for a reason!** The ice may be thick enough, however the surface may be too unsafe for skating. Skate only when the ice has been determined safe and WHITE FLAGS are flying.

The flagpole at Community Park North is located on the side berm, near the Mountain Avenue jughandle on Route 206. There is also a small pennant flag on the side of the pond near the pathway. The flagpole at Smoyer Park is located on the pump house on the side of the pond. The two flagpoles on Lake Carnegie are located on top of the Princeton University Boat House off of Washington Road, and on the side of Lake Carnegie by the Harrison Street Bridge.

Call the Recreation Department Hotline at 609-688-2054 for a recorded message, 24 hours a day, 7 days per week for ice condition reports. Please DO NOT CALL THE POLICE DEPARTMENT or Princeton University's Department of Public Safety.

Updated information can also be found on our social media pages, as well as our website: www.princetonrecreation.com

For a copy of our Ice Safety Brochure, stop by the Recreation Office or visit the Recreation Department website at www.princetonrecreation.com.

Cooperation, adherence to the rules, and common sense will help us provide a safe skating season!
