# Benefits of Updated Kiosks

- Better and more organized information to help engage our residents and our visitors
- Cleaner look to the downtown area
- Potential revenue for municipality
- Retained public information display
- Sustainable, eco-friendly design
- Project executed and maintained non-municipal resources

# Kiosk Update Timeline

- After approval 1-2 weeks for preparation and final design
- 8 weeks for ordering and shipping of new equipment (*due to customized nature of the design*)
- 3-5 days of light construction for renovation
- Total project – 10 weeks from approval to completion
