MEMORANDUM

TO: MAYOR AND COUNCIL
FROM: KATHY MONZO
SUBJECT: PSA FOR HEALTH OFFICER SERVICES
DATE: 9/19/2013

Attached is a professional service agreement that proposes appointing Robert Hary interim Health Officer for Princeton. With the departure of David Henry we also feel this is the appropriate time to identify possible options for health department services going forward. The agreement outlines a scope of services including evaluating options for providing health services within the community, and providing a written report on the overall operations.

The draft agreement has been reviewed by Ms. Howard the liaison to the Board of Health, Mr. DiFerdinando the Chair of the Board of Health, and was discussed at the most recent Board of Health meeting. All have expressed agreement with the proposal. Mr. Hary has over 20 years' experience both as a municipal health officer and administrator. After approval of the PSA resolution Mr. Hary is available to begin.
