Subject: Hibben-Magie Performance Gaurantee Extension

Ms. Ceballos,

Alan Upperco sent me a note about your call to him about the performance guarantee for Hibben-Magie expiring in June after its initial two-year time frame. The project is progressing towards completion but is somewhat behind schedule and will not complete in the planned time frame. We expect completion sometime in October. If the guarantee can be extended to December 31, 2014 that would cover any further delays in completion.

I hope this meets with the approval of the engineering department. Please let me know if there is anything more that you need from me or the University.

Thanks,

Bob
