**NTE \$350.00**

DATE: APRIL 16, 2013

---

It is recommended that a Professional Services Agreement (PSA) be entered into with JT Surveying to offset and/or survey the location of the existing monument at 422 Ewing Street, remove the monument and reset the property monument so that the finished top of monument is at grade. This work is necessary to provide for the installation of a sidewalk abutting 422 Ewing Street in connection with the Ewing Street Improvement project.

In this regard, please find attached a proposal from JT Surveying of Hillsborough, NJ to complete these services at the not to exceed cost of \$350.00.

We find the proposed cost for these services to be reasonable and recommend that a professional services agreement be entered into with JT Surveying firm in the not to exceed amount of \$350.00 at this time. Sufficient funds are available in Project Capital account for these services.

Please contact me if you have any questions.

Block 7208, Lot 10  
422 Ewing Street

April 11, 2013

Dear Bob:

I am pleased to provide this proposal based on my conversations with Fred Schulz in conjunction with the above project. We propose to offset and/or survey the location of the existing monument in question, remove the monument and reset the monument so that the finished top of monument is at grade. We further propose to issue a certification that the monument was reset in its original position under the direct, immediate supervision of a Professional Land Surveyor licensed by the State of New Jersey.

Our fee for this work is a lump sum estimate not to exceed **\$350.00** (three hundred and fifty dollars) and includes the cost of all work associated with the resetting process.

Thank you for this opportunity to be of assistance to your municipality. I look forward to working with you on this project. Please feel free to contact me with any questions you may have. I can be reached at 908-883-0147 (cell phone).

Sincerely,
