

CRIME SUMMARY

The Princeton Police Department responded to two thousand, six hundred and eighty-five (2,685) police services activities during the month of August 2013.

There were twenty-one (21) persons arrested and charged with various offenses.

SAFE NEIGHBORHOOD BUREAU

The Safe Neighborhood Bureau has continued to collect winter clothing for our winter clothing drive. We have advertised our efforts in the social media (Facebook, Twitter Etc). There is a collection box that has been placed in the police headquarters lobby so that clothing can be donated at anytime day and night.

The bureau continues to meet regularly with the Human Services Commission to identify and address needs within the community. We are currently working on several initiatives for the upcoming months.

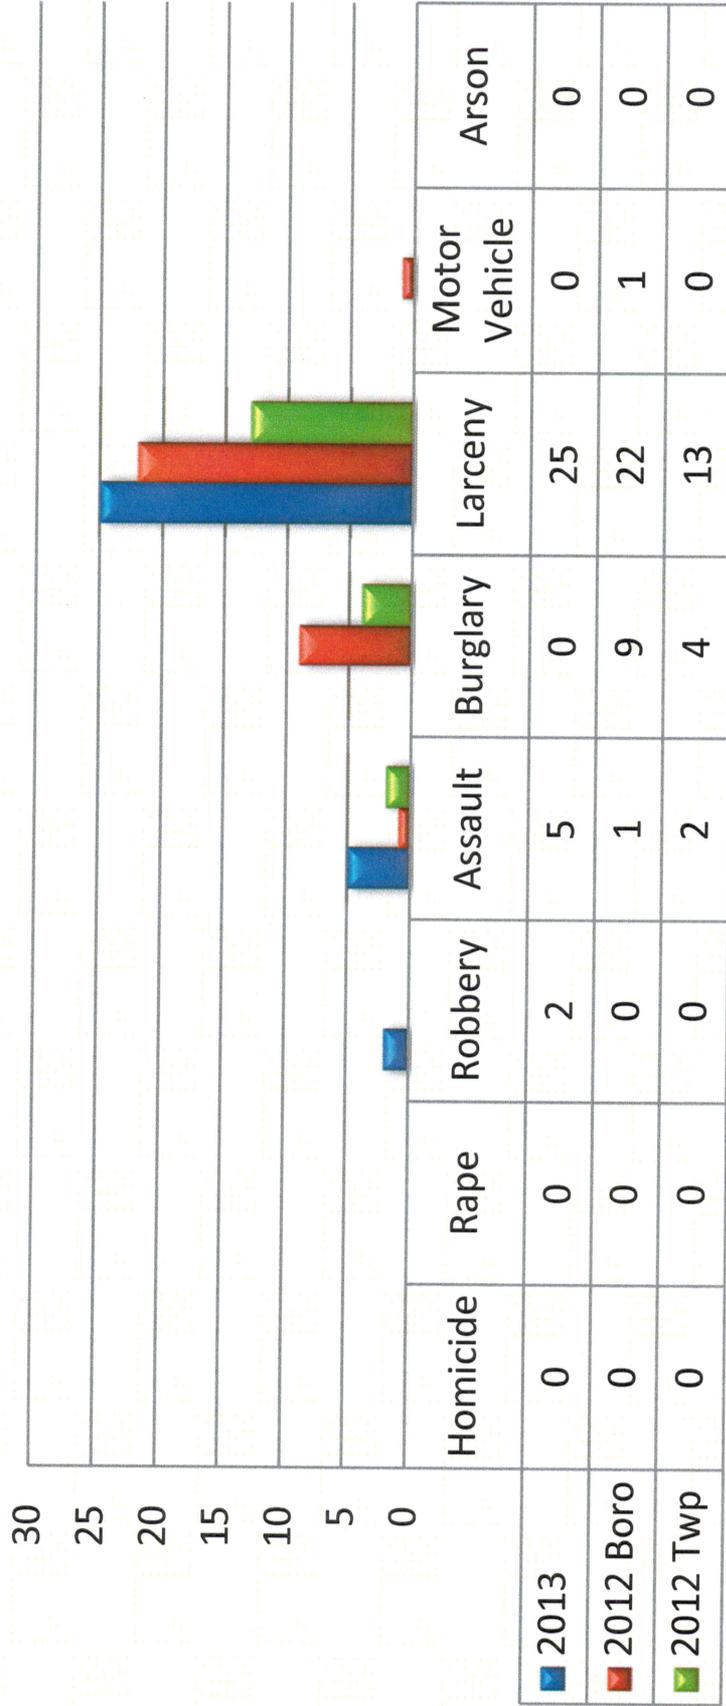

The safe school initiative has been received favorably by each of the schools we have visited. The faculty, parents and students at each school have reported a greater sense of security during student drop off and pick up.

The Safe Neighborhood Bureau has taken part in several school evacuation drills. The drills have been observed and the SNB is working together with the schools to increase the safety of the students.

The Rapid Notification System for the notification of the Princeton schools in cases of emergencies and important information has been deployed, successfully tested and used several times.

The SNB was present during the John Witherspoon Middle School "Super Saturday". The event was held in front of the school and on Walnut Ln. During the event we spoke to many of the school's students and faculty.
