Bob,  
We are under contract with the Department of Transportation for repaving of Route 206 in Princeton Township, which specifically states that where we are to alternate traffic, the hours of operation are to be from 9 PM to 6 AM. In effect, all major items of construction; such as joint and base repair, milling and paving are to be performed during nighttime hours. Accordingly, we are hereby requesting the Township waive their Noise Ordinance restriction to permit this work.  
We anticipate that nighttime operations should begin when weather conditions permit, in approximately two weeks. In the meantime, we want you to be aware of our daytime operations, such as curbing, where we will be shifting traffic to work safely at those locations.  
We would appreciate you conveying our noise waiver to the Township Council and advising as to their decision.  
Thank you in advance,

Phil Schifano
