Township Engineer

October 26, 2012

IMPORTANT NOTICE

Dear Ewing Street Neighborhood Residents:

A neighborhood meeting will be held on Monday, November 12, 2012, to discuss the planned Improvements to Ewing Street from Valley Road to North Harrison Street. The meeting has been scheduled for 7:00 p.m. in Main Meeting Room of the Princeton Township Municipal Building located at 400 Witherspoon Street. The improvement work is planned to start in mid November and be completed in the spring of next year. All interested residents are invited to attend.

Items to be discussed at the meeting include a review of the Ewing Street improvement plan and the construction schedule for the project, which includes the repair and replacement of sanitary sewer facilities where necessary, drainage improvements, installation of Belgium block curbing, sidewalks, and the repair and resurfacing of the roadway.

Township Deputy Mayor Liz Lempert, representatives from Top Line Construction, the Township's contractor, the Township Engineering Department, the Princeton Sewer Operating Committee, the Township Police Department and the Township Arborist will be available to discuss the project and answer any questions you may have.

Residents are advised that the Township will be imposing a 5-year moratorium on any street openings once the work is completed. Therefore, if you to plan to upgrade or install new utility services such as gas, water, electric, etc., you should contact the respective utility company at this time to make the necessary arrangements. A telephone list for the various project contacts is provided on the back of this notice for your use.

If you have any concerns or questions prior to the meeting, please contact this office at 609-921-7077.

I invite you to attend this meeting to view the proposed improvement plan and to discuss any concerns you may have regarding this project.

Sincerely,

Robert V. Kiser, P.E.
Township Engineer
