400 Witherspoon Street
Princeton, New Jersey 08540

Re: Washington Road (County Route 571)

Dear Mayor Lempert:

Please be advised that on or about **Monday, August 19, 2013**, milling and resurfacing work will begin on Washington Road from Faculty Road to the **jurisdictional limits of Mercer County**. Mercer County anticipates that this work will take approximately ten (10) working days, weather permitting. During construction, this section of Washington Road will be closed to through traffic from approximately 9:00 a.m. to 3:30 p.m., weekdays only. However, emergency access and limited access for local deliveries and services related to Princeton University would be permitted during this time.

Motorists traveling eastbound Washington Road (*at Prospect Avenue*) will be detoured left onto Prospect Avenue, right on Harrison Street, right on Faculty Road to Washington Road. Westbound traffic will travel same route conversely.

Mercer County staff will post signs prior to the start date advising motorists of upcoming road work. Would you or a member of your staff please coordinate and notify emergency response school transportation officials and any other pertinent groups, agencies or organizations that may be temporarily inconvenienced due to construction.

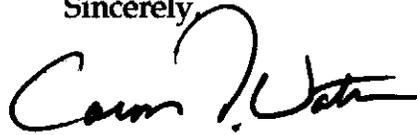

July 22, 2013

Re: Washington Road (County Route 571)

This project is being completed by the Mercer County Department of Transportation and Infrastructure and is consistent with our ongoing efforts to improve our roadways.

Should you have any questions or require additional information, please do not hesitate to contact me at (609) 989-6629.

Sincerely,

Aaron T. Watson
Director, Department of
Transportation & Infrastructure

ATW/mgd
