August 17, 2016

### **IMPORTANT NOTICE REGARDING BOUVANT DRIVE AND WHITE OAK DRIVE WORK**

Please note the start of work has been delayed. **Today, August 17<sup>th</sup>, and through Monday, August 22<sup>nd</sup> (weekdays only), weather permitting, S Brothers will mill and prepare Bouvant Drive and White Oak Drive for paving. To provide for this work, Bouvant Drive and White Oak Drive will be closed to through traffic during the work hours of 7 am to approximately 5 pm.** Your driveways will continue to be accessible while this work is proceeding.

As part of the milling and paving work, asphalt driveway aprons will be repaired. Asphalt driveway aprons will be installed on stone driveways. Princeton installs these aprons in order to better retain stone on the driveways and minimize the potential migration to, and damage of, the road surface. No repair work is planned to paver and belgian block driveway aprons. If you have any questions about this work, please contact the staff members below.

Should inclement weather occur, the work will proceed the following business day. The road will be reopened to full two-way traffic at the end of each work day. Provisions will be made for emergency service vehicles and for continued services such as mail delivery, garbage and recycling pick-up.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Alina Ferreira, P.E., Assistant Engineer – [aferreira@princetonnj.gov](mailto:aferreira@princetonnj.gov) or 609-921-7077.
- Scott Hutchinson, Project Inspector – [shutchinson@princetonnj.gov](mailto:shutchinson@princetonnj.gov) or 609-731-2631 (mobile).

To facilitate ease of communication regarding the project, please email [jredeyoff@princetonnj.gov](mailto:jredeyoff@princetonnj.gov) to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E., Assistant Engineer
