IMPORTANT NOTICE REGARDING EDGEHILL STREET IMPROVEMENTS

On Monday, November 2nd, weather permitting, the contractor plans to install the final surface pavement on Edgehill Street. The contractor will start at Stockton Street (Rt 206) and proceed south on Edgehill Street at 7 am. In order to provide for this work, Edgehill Street will be closed between Mercer Street and Stockton Street (Route 206) during the hours of 7 am to approximately 6 pm.

If you require use of your vehicle on Monday, please remove your vehicle from your driveway by 7 am and park in a legal parking space at an alternate close-by location, such as Library Place or Hibben Road. On-street parking may also be suspended during work hours. Please use the attached overnight parking waiver placard (attached to the paper notice delivered to your door) for on-street overnight parking. Provisions will be made for mail delivery and emergency services vehicles. Please refrain from any pedestrian foot traffic across the new pavement during work hours, as the pavement surface is very hot and susceptible to marring.

After the final paving of the roadway is completed, the roadway may not be driven upon for a 2-hour period up until approximately 6 pm. This restriction will prevent permanent damage to the pavement during its "curing period". Residents will then be allowed to return to their driveways once the road is opened and the on-street parking suspension will be lifted. **In the event of inclement weather, the work will proceed on the following day.**

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Richard Decker, Princeton Inspector – rdecker@princetonnj.gov or 609-751-6826 (mobile);
- Alina Ferreira, P.E., Construction Engineer – aferreira@princetonnj.gov or 609-921-7077 x 1285.

To facilitate ease of communication regarding the project, please email jredeyoff@princetonnj.gov to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E., Construction Engineer
