IMPORTANT NOTICE REGARDING GREAT ROAD WORK BETWEEN WINFIELD ROAD AND WESTERLY ROAD

The Municipality of Princeton has contracted with S Brothers, Inc. to install a new traffic signal at the Great Road and Mountain Avenue intersection; construct belgian block curb on the southbound side of Great Road between Winfield Road and Westerly Road; construct an 8' wide paved pathway on the southbound side of Great Road between Mountain Avenue and the sidewalk at 300 Elm Court; repair drainage pipes across Mountain Avenue at Great Road; and resurface the intersection of Great Road and Mountain Avenue. More information is available regarding this project at: <http://www.princetonnj.gov/engineering/mun-infrastructure.html>.

On Monday, July 18th, weather permitting, Lancha Construction Corporation, a subcontractor to S Brothers for curb work, plans to begin belgian block curb installation on the west side of Great Road between Winfield Road and Westerly Road. To provide for this work, Police will be alternating traffic on Great Road between Winfield Road and Westerly Road during the work hours of 7 am to approximately 4 pm. Should inclement weather occur, the work will proceed the following business day. This first phase of the work is expected to be completed within one week.

Residents are advised to use caution when driving within the road closure area and allow additional time for travel.

Provisions will be made for emergency services vehicles and for continued services such as brush collection, mail delivery, garbage and recycling pick-up. The road will be reopened to full two-way traffic at the end of each work day.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Scott Hutchinson, Princeton Project Inspector – shutchinson@princetonnj.gov or 609-731-2631 (mobile);
- Alina Ferreira, P.E., Assistant Engineer – aferreira@princetonnj.gov or 609-921-7077 x 1285.

To facilitate ease of communication regarding the project, please email jredeyoff@princetonnj.gov to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E., Assistant Engineer
