IMPORTANT NOTICE REGARDING HAMILTON AVENUE IMPROVEMENTS BETWEEN HARRISON STREET AND SNOWDEN LANE

Tomorrow, Friday, June 19th, weather permitting, the contractor plans to install the final surface course of bituminous pavement on Hamilton Avenue between Harrison Street and Snowden Lane. In the event of inclement weather or if additional time is needed to complete this work, the work will proceed the following business day. While this work is proceeding, Hamilton Avenue will be closed between Harrison Street and Snowden Lane during the hours of 7:00 am to approximately 7:00 pm. We request that all properties, which have direct driveway access to Hamilton Avenue within the project limits park in a legal parking space on the nearest side streets and walk to/from your home before and during the paving installation. Please use the attached overnight parking waiver placard for on-street overnight parking. You can move your vehicle after the road has been re-opened later that evening.

Please note that after the work is completed, Hamilton Avenue will need to remain closed until approximately 7 pm to allow the new pavement to properly cure.

Hamilton Avenue will reopen at the end of the work day. Provisions will be made if needed for emergency services vehicles.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Scott Hutchinson, Princeton Project Inspector – shutchinson@princetonnj.gov or 609-731-2631
- Alina Ferreira, P.E., Construction Engineer – afferreira@princetonnj.gov or 609-921-7077 x 1138

To facilitate ease of communication regarding the project, please email jredeyoff@princetonnj.gov to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E., Construction Engineer
