

Notice Regarding Hamilton Avenue Improvements Project – 5/7/15

We have been advised that the contractor, S Brothers, will not return to Hamilton Avenue until Monday, May 11, weather permitting. S Brothers will start with the concrete work for this project, which includes replacement of concrete curb, sidewalk, and driveway slabs as marked.

When curbing or concrete driveway slabs are installed across your driveway, access to your driveway will be prohibited for at least 48 hours. Please contact Scott Hutchinson for overnight parking waiver placard and park in a legal space on the street. We will notify you when access is restored to your driveway.

If you have any questions or concerns regarding this project, please feel free to contact me or Scott Hutchinson, Project Inspector at shutchinson@princetonnj.gov or 609-731-2631.

Thank you,
