IMPORTANT NOTICE REGARDING HAMILTON AVENUE IMPROVEMENTS

The Municipality of Princeton has contracted with S. Brothers Construction to construct roadway, sidewalk, curbing and drainage improvements on Hamilton Avenue between Harrison Street and Snowden Lane. More information is available regarding this project at:

<http://www.princetonnj.gov/engineering/HamiltonAve.html>.

Beginning on Monday, April 27, 2015, weather permitting, S. Brothers Construction will be starting the improvement work that is expected to be completed in mid June. In order to accommodate this work, Hamilton Avenue will be closed to through traffic from Harrison Street to Snowden Lane during the work hours of 7:00 am to 5:00 pm on weekdays. On-street parking may also be suspended during work hours to permit safe movement of construction equipment and residential traffic. The road work closure is expected to be in effect for four weeks, weekdays only, weather permitting. In the event of inclement weather, work will proceed the following day, excluding Saturdays and Sundays.

Residents are advised to use caution when driving within the road closure area and allow additional time for travel. There may be times when access to your driveway will be closed; we will endeavor to provide 24-hour notice when this will occur. During construction, Hamilton Avenue through traffic will be detoured onto Franklin Avenue.

Provisions will be made for emergency services vehicles and for continued services such as brush collection, mail delivery, garbage and recycling pick-up. The road will be reopened to full two-way traffic and parking at the end of each work day.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Scott Hutchinson, Project Inspector – shutchinson@princetonnj.gov or 609-731-2631
- Alina Ferreira, P.E., Construction Engineer – afferreira@princetonnj.gov or 609-921-7077 x 1138

Mr. Hutchinson will be on-site while construction is taking place. If you have an emergency situation, please contact 911 immediately. Also, municipal and utility contact information is provided on the back of the notice.

If you are not currently receiving email updates about this project, please email jredeyoff@princetonnj.gov to be added to the project email list. Additional notices will be sent as the next phases of this project proceed.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E.
Construction Engineer
