Director of Engineering

April 21, 2015

IMPORTANT NOTICE

Residents of Stuart Road East:

The Municipality of Princeton has contracted with Top Line Construction Corporation of Somerville, New Jersey to complete improvements to Mount Lucas Road between Stuart Road East and Cherry Hill Road. The work will involve some storm drainage improvements, sidewalk and pathway widening/reconstruction, belgian block curb installation and pavement reconstruction.

Work hours will generally be between 7:00 AM and 5:00 PM Monday through Friday. Mount Lucas Road will be closed except for local traffic only during work hours, and will reopen at the end of each work day. Residents are advised to use caution when driving within the road closure area and allow additional time for travel. Provisions will be made for emergency services vehicles and for continued services such as brush collection, mail delivery, garbage and recycling pick-up.

On Wednesday, April 22, Top Line Construction will begin construction work, weather permitting, at the Stuart Road East intersection. Storm sewer installation is scheduled to begin on April 23 in the Stuart Road East / Mount Lucas Road intersection. When this work is proceeding, you will have constrained access through the intersection, and at times you may be delayed a short time waiting for equipment to move.

On Friday, April 24, Mount Lucas Road will be closed to all traffic north of Stuart Road East during work hours for storm sewer installation. All traffic from Stuart Road East must exit to the south (right) on Mount Lucas Road.

Beginning Monday, April 27, or when the storm sewer installation is complete, Top Line will be constructing new curbs and asphalt pathway between Stuart Road East and Ewing Street. Please plan on accessing Stuart Road East from the north via Mount Lucas Road to avoid construction delays while this work is taking place between Stuart Road East and Ewing Street.

In addition, NJ American Water Company's contractor, CRJ Contracting, is scheduled to begin water main replacement between Laurel Road and Cherry Hill Road on Monday, April 27. That portion of Mount Lucas Road will also be closed to through traffic during working hours.

In the event of inclement weather, work will proceed the following day, excluding Saturdays and Sundays.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Richard Decker, Project Inspector – rdecker@princetonnj.gov or 609-751-6826
- Alina Ferreira, P.E., Construction Engineer – aferreira@princetonnj.gov or 609-921-7077 x 1138

More on the reverse →

To facilitate ease of communication regarding the project, please email jredeyoff@princetonnj.gov to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Deanna Stockton, P.E.
Assistant Municipal Engineer
