## IMPORTANT NOTICE REGARDING MOUNT LUCAS ROADWAY WORK

### FINAL PAVING NOTICE FOR MOUNT LUCAS ROAD BETWEEN JEFFERSON ROAD AND CHERRY HILL ROAD

On Thursday, October 8<sup>th</sup>, weather permitting, the contractor plans to install the final surface pavement on Mount Lucas Road between Jefferson Road and Cherry Hill Road. The contractor will have to do some preparations for final paving including installing leveling course. **In order to provide for this work, Mount Lucas Road will be closed from Ewing Street to Cherry Hill Road during the hours of 7 am to approximately 6 pm.** If you require use of your vehicle on Thursday, please remove your vehicle from your driveway by 7 am and park in a legal parking space on a roadway outside of these paving limits. Please have your garbage cans placed at the curb by 6:00 am for collection. Provisions will be made for trash, emergency services vehicles and school busses. Please refrain from any pedestrian foot traffic across the new pavement during work hours, as the pavement surface is very hot and susceptible to marring.

**After the final paving of the roadway is completed, the roadway may not be driven upon for a 2-hour period up until approximately 6 pm.** This restriction will prevent permanent damage to the pavement during its "curing period". Residents will then be allowed to return to their driveways once the road is opened. In the event of inclement weather, the work will proceed on the following day.

On Friday, October 9<sup>th</sup>, weather permitting, the contractor plans to complete any remaining paving north of Cherry Hill Road and install the final surface pavement on Mount Lucas Road between Cherry Hill Road and Valley Road. **In order to provide for this work, Mount Lucas Road will be closed from Jefferson Road to Valley Road during the hours of 9 am to approximately 4 pm.** If you require use of your vehicle on Friday, please remove your vehicle from your driveway by 7 am and park in a legal parking space on a roadway outside of these paving limits. Provisions will be made for emergency services vehicles and school busses. Please refrain from any pedestrian foot traffic across the new pavement during work hours, as the pavement surface is very hot and susceptible to marring.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Richard Decker, Princeton Inspector – [rdecker@princetonnj.gov](mailto:rdecker@princetonnj.gov) or 609-751-6826 (mobile);
- Scott Hutchinson, Princeton Inspector – [shutchinson@princetonnj.gov](mailto:shutchinson@princetonnj.gov) or 609-731-2631 (mobile);
- Alina Ferreira, P.E., Construction Engineer – [afferreira@princetonnj.gov](mailto:afferreira@princetonnj.gov) or 609-921-7077 x 1285.

To facilitate ease of communication regarding the project, please email [jredeyoff@princetonnj.gov](mailto:jredeyoff@princetonnj.gov) to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E., Construction Engineer
