IMPORTANT NOTICE REGARDING MERCER ROAD WORK BETWEEN GREENHOUSE DRIVE AND QUAKER ROAD

The Municipality of Princeton has contracted with S Brothers to construct belgian block curb on the pathway side of Mercer Road between Greenhouse Road and Quaker Road; repair drainage inlets; and resurface the roadway from Lovers Lane to Quaker Road. More information is available regarding this project at: <http://www.princetonnj.gov/engineering/Mercer-Road-Improvement-Project.html>.

On Tuesday, July 5th, weather permitting, Lancha Construction Corporation, a subcontractor to S Brothers for curb work, plans to begin belgian block curb installation on the north side of Mercer Road between Greenhouse Drive and Quaker Road, except along the Battlefield State Park. To provide for this work, Police will be alternating traffic on Mercer Road between Greenhouse Drive and Quaker Road during the work hours of 7 am to approximately 4 pm. A separate notice will be provided to the residents whose driveways are directly affected by this work. Should inclement weather occur, the work will proceed the following business day. This first phase of the work is expected to be completed within 2 weeks. The entire project, including topsoil and seeding, is expected to be completed by August 28th.

Residents are advised to use caution when driving within the road closure area and allow additional time for travel. There may be times when access to your driveway will be closed; we will endeavor to provide notice 24 hours in advance when this will occur.

Provisions will be made for emergency services vehicles and for continued services such as brush collection, mail delivery, garbage and recycling pick-up. The road will be reopened to full two-way traffic at the end of each work day.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Scott Hutchinson, Princeton Project Inspector – shutchinson@princetonnj.gov or 609-731-2631 (mobile);
- Alina Ferreira, P.E., Assistant Engineer – aferreira@princetonnj.gov or 609-921-7077 x 1285.

To facilitate ease of communication regarding the project, please email jredeyoff@princetonnj.gov to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E., Assistant Engineer
