### **IMPORTANT NOTICE REGARDING MERCER ROAD WORK BETWEEN LOVERS LANE AND QUAKER ROAD**

On Monday, August 1<sup>st</sup> and through Wednesday, August 3<sup>rd</sup>, weather permitting, S Brothers plans to mill Mercer Road between Lovers Lane and Quaker Road. **To provide for this work, Mercer Road will be closed between Lovers Lane and Quaker Road during the work hours of 7 am to approximately 5 pm.** Please follow the posted detour via Lovers Lane – Route 206 – Hutchinson Drive. The Quaker Road / Mercer Road intersection and Quaker Road will remain open while this work is proceeding. We request that all properties which have direct driveway access to Mercer Road within the project limits, including properties on Greenhouse Drive, park in a legal parking space on a nearby side street or in the parking area of Marquand Park on Lovers Lane, and walk to/from your home before and while the work is proceeding. If parking overnight, please use the parking waiver placard for on-street overnight parking attached to your paper notice delivered to your door. You can move your vehicle after the road has been re-opened later that evening. Should inclement weather occur, the work will proceed the following business day. Additional notice will be provided prior to final paving which is now planned for August 4<sup>th</sup>.

Provisions will be made for emergency services vehicles and for continued services such as mail delivery, garbage and recycling pick-up. The road will be reopened to full two-way traffic at the end of each work day.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Alina Ferreira, P.E., Assistant Engineer – [aferreira@princetonnj.gov](mailto:aferreira@princetonnj.gov) or 609-921-7077 x 1285.

To facilitate ease of communication regarding the project, please email [jredeyoff@princetonnj.gov](mailto:jredeyoff@princetonnj.gov) to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E., Assistant Engineer
