## IMPORTANT NOTICE REGARDING MOUNT LUCAS ROADWAY WORK

### ROADWAY IMPROVEMENT WORK BETWEEN JEFFERSON ROAD AND EWING STREET

On Monday, June 22<sup>nd</sup>, weather permitting, Top Line Construction Corp., will continue installation of the remaining concrete sidewalk and driveway aprons along the southbound side of Mount Lucas Road. In order to provide for this work, Mount Lucas Road will be closed to through traffic from Jefferson Road to Ewing Street during working hours of 7 am to approximately 6 pm. When concrete sidewalk and the concrete driveway apron are installed across your driveway, access to your driveway will be prohibited for the next 72 hours. Please park on the side of the street, away from where the work is occurring, or work with a neighbor across the street to share their driveway. We will notify you when access is restored to your driveway.

### ROADWAY IMPROVEMENT WORK BETWEEN JEFFERSON ROAD AND LAUREL ROAD

The installation of belgian block curb is planned to start on the southbound side of Mount Lucas Road on Tuesday, June 23<sup>rd</sup>, weather permitting and through the rest of the week. In addition, storm sewer work will proceed for this section of the project. In order to provide for this work, Mount Lucas Road will be closed to through traffic from Jefferson Road to Laurel Road during working hours of 7 am to approximately 6 pm. When curbing is installed across your driveway, access to your driveway will be prohibited for the next 48 hours. Please park on the side of the street, away from where the work is occurring, or work with a neighbor across the street to share their driveway. We will notify you when access is restored to your driveway. Please do not park at the designated parking lot spaces in the Redding Circle neighborhood.

### ROADWAY IMPROVEMENT WORK BETWEEN STUART ROAD EAST AND EWING STREET

On Wednesday, June 24<sup>th</sup>, through Friday, June 26<sup>th</sup>, weather permitting, the contractor will be installing base pavement on portions of Mount Lucas Road between Ewing Street and Stuart Road East. While this work is proceeding, Mount Lucas Road will be closed from Ewing Street to Stuart Road East during the hours of 7 am to approximately 6 pm. Should inclement weather occur, the work will proceed the following business day.

### NEW JERSEY AMERICAN WATER MAIN AND SERVICES IMPROVEMENT WORK

NJAW is continuing to test the new water main on Mount Lucas Road between Laurel Road and Cherry Hill Road. The testing has been completed for the new water main between Jefferson Road and Ewing Street. Following completion of the testing of the new water main, CRJ Construction plans to begin the replacement of house services within the public right-of-way between Jefferson Road and Ewing Street. Further notice will be provided once the scheduling of this work is confirmed.

Mount Lucas Road will reopen at the end of each work day. Residents are advised to use caution when driving within the road closure area and allow additional time for travel. Provisions will be made for emergency services vehicles and for continued services such as brush collection, mail delivery, garbage and recycling pick-up.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Richard Decker, Princeton Project Inspector – [rdecker@princetonnj.gov](mailto:rdecker@princetonnj.gov) or 609-751-6826
- Alina Ferreira, P.E., Construction Engineer – [aferreira@princetonnj.gov](mailto:aferreira@princetonnj.gov) or 609-921-7077 x 1138

To facilitate ease of communication regarding the project, please email [jredeyoff@princetonnj.gov](mailto:jredeyoff@princetonnj.gov) to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E., Construction Engineer
