IMPORTANT NOTICE REGARDING MOUNT LUCAS ROADWAY WORK

ROADWAY IMPROVEMENT WORK BETWEEN JEFFERSON ROAD AND CHERRY HILL ROAD

The installation of belgian block curb is planned to continue on both sides of Mount Lucas Road between Laurel Road and Cherry Hill Road on Monday, July 13th, through Friday, July 17th, weather permitting. In order to provide for this work, Mount Lucas Road will be closed to through traffic from Jefferson Road to Cherry Hill Road during working hours of 7 am to approximately 6 pm. When curbing is installed across your driveway, access to your driveway will be prohibited for the next 48 hours. Please park on the side of the street, away from where the work is occurring, or work with a neighbor across the street to share their driveway. We will notify you when access is restored to your driveway.

NEW JERSEY AMERICAN WATER MAIN AND SERVICES IMPROVEMENT WORK

Starting on Monday, July 13th, and through the rest of the week, weather permitting, the New Jersey America Water (NJAW) company contractor, CRJ Construction, will begin the replacement of house water services and installation/replacement of fire hydrants within the public right-of-way between Jefferson Road and Ewing Street. To provide for this work, Mount Lucas Road will be closed from Ewing Street to Jefferson Road during working hours of 7 am to 5 pm. The switchover to the new house water service will require shut-off of the water for approximately 15 minutes. The switchover will be done one house at a time and will take place between the hours of 9 am and 3 pm. The contractor will knock on your door prior to shutting the water off to your house and after the switchover is complete.

Should inclement weather occur, the work will proceed the following business day. Mount Lucas Road will reopen at the end of each work day. Residents are advised to use caution when driving within the road closure area and allow additional time for travel. Provisions will be made for emergency services vehicles and for continued services such as brush collection, mail delivery, garbage and recycling pick-up.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Mike McFarland, NJAW Inspector, 908-482-5283 (mobile);
- Richard Decker, Princeton Project Inspector – rdecker@princetonnj.gov or 609-751-6826 (mobile);
- Alina Ferreira, P.E., Construction Engineer – afferreira@princetonnj.gov or 609-921-7077 x 1285.

To facilitate ease of communication regarding the project, please email jredeyoff@princetonnj.gov to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E., Construction Engineer
