March 13, 2015

March 17, 2015 **REVISED**

IMPORTANT NOTICE

Dear Mount Lucas Road Neighborhood Residents:

A neighborhood meeting will be held on Thursday, March 26, 2015 to discuss the improvement of Mount Lucas Road between Cherry Hill Road and Stuart Road East. These improvements are scheduled to start at the end of March and be substantially completed in the fall.

The proposed Mount Lucas Improvements include roadway widening; curb installation; sidewalk installation and repair; pathway reconstruction; bike lane installation; and drainage, sanitary sewer and water distribution system improvements.

The meeting has been scheduled for 7:00 PM in the main meeting room of the Municipal Building located at 400 Witherspoon Street. All interested residents are invited to attend. Mayor Liz Lempert, representatives from Top Line Construction (the Municipality's contractor), the Engineering Department, Police Department, Princeton Sewer Operating Committee, and New Jersey American Water Company, along with the Municipal Arborist will discuss the project construction schedule, proposed sidewalk assessments, changes to on-street parking, and answer any questions you may have.

Residents are advised that the Municipality will be imposing a 5-year moratorium on any street openings once the work is completed. Therefore, if you plan to upgrade or install new utility services such as gas, water, electric, etc., you should contact the respective utility company at this time to make the necessary arrangements. A telephone list for the various project contacts is provided on the back of this notice for your use.

If you have any concerns or questions prior to the meeting, please contact this office at 609-921-7077.

I invite you to attend this meeting to view the proposed improvement plans and to discuss any concerns you may have regarding this project.

Sincerely,

Robert V. Kiser, P.E.
Director of Engineering
