IMPORTANT NOTICE REGARDING PARDOE ROAD IMPROVEMENTS WORK

Please note no work is planned on Pardoe Road on Monday, October 10th, 2016. On Tuesday, October 11th, 2016, weather permitting, S Brothers will install final surface course of bituminous pavement on Pardoe Road. In order to provide for this work, Pardoe Road will be closed from Mountain Avenue to Wilson Road and at Westerly Road during the working hours of 7:00 am to approximately 5:00 pm. Your driveways will not be accessible while this work is proceeding. Please park in a legal space on Wilson Road or Westerly Road (west of driveway for 28 Pardoe Road) prior to start of work on each work day, 7 am, and you may move your car back to your driveway at the end of work day. The remaining asphalt driveway aprons will also be installed on October 11th. The roadway will be closed for approximately 1 hour after paving to allow for the pavement to properly cure.

As part of the milling and paving work, asphalt driveway aprons will be repaired. Asphalt driveway aprons will be installed on stone driveways. Princeton installs these aprons in order to better retain stone on the driveways and minimize the potential migration to, and damage of, the road surface. No repair work is planned to paver and belgian block driveway aprons. If you have any questions about this work, please contact the staff members below.

In the event of inclement weather, work will proceed the following day, excluding Saturdays and Sundays. Pardoe Road will be closed during work hours, and will reopen at the end of the work day. Provisions will be made for emergency services vehicles.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Scott Hutchinson, Project Inspector – shutchinson@princetonnj.gov or 609-731-2631
- Jeff Laux, Construction Engineer – jlaux@princetonnj.gov or 609-921-7077 x 1226

Mr. Hutchinson will be on-site while construction is taking place. If you have an emergency situation, please contact 911 immediately. Also, municipal and utility contact information is provided on the back of the notice.

If you are not currently receiving email updates about this project, please email jredeyoff@princetonnj.gov to be added to the project email list. Additional notices will be sent as the next phases of this project proceed.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E.
Assistant Engineer
