Director of Engineering

September 23, 2014

IMPORTANT NOTICE REGARDING MERCER ROAD WORK

The installation of topsoil and seeding along Mercer Road, from the Lawrence Township line to Stony Brook Bridge is planned to begin on Wednesday, September 24, weather permitting. This work will consist of installing topsoil, seeding, and stabilizing the disturbed grass areas along the Mercer Road improvement project. This work will take approximately 2 – 3 days to complete (weekdays only). While this work is proceeding, one lane closures on Mercer Road will take place between the hours of 9 am to approximately 4 pm. In the event of inclement weather, the work will proceed the following business day.

Also, please anticipate a short term closure of Mercer Road between the two Gallup Road intersections during the working hours to temporarily repair two (2) pavement settlement areas. While the pavement repair work is proceeding, a detour will be posted using Gallup Road and Stetson Way. The permanent repair of the settlement areas will take place in Spring of 2015. Please use caution when accessing your homes.

Provisions will be made for continued services such as brush collection, mail delivery, garbage, recycling pick-up and school busses. The road will be reopened to full two-way traffic at the end of each work day and will remain open until the start of next work day, if needed.

Should you have any questions or concerns regarding this project, the following staff members can assist you:

- Alina Ferreira, P.E., Project Inspector – afferreira@princetonnj.gov or 609-917-4287 (cell)
- Robert Kiser, P.E., Director of Engineering – rkiser@princetonnj.gov or 609-921-7077 x 1226
- Lt. Robert Carrier, Princeton Police Department – rcurrier@princetonnj.gov or 609-921-2100 x 2115

If you are not currently receiving email updates about this project, please email afferreira@princetonnj.gov to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira

Alina Ferreira, P.E.
Construction Engineer
