**IMPORTANT NOTICE REGARDING SNOWDEN SANITARY SEWER WORK
BETWEEN VAN DYKE ROAD AND HERRONTOWN ROAD**

On Monday, October 17th and through Friday, October 21st, weather permitting, ICUNJ will continue with installation of the sanitary sewer main on Snowden Lane between Van Dyke Road and Herrontown Road. While this work is proceeding, Snowden Lane will be closed to through traffic between Van Dyke Road and Herrontown Road during the working hours of 7 am to approximately 5 pm.

The work will necessitate trenching in the southbound lane of Snowden Lane, blocking access to individual driveways. Please note the access to the driveways will be blocked for approximately 8 hours when the work is directly in front of each property. Residents should park on the south side of Van Dyke Road when the work is in front of their property. This should only be for one day, during work hours. After the work passes your house, you will again be able to park in your driveway.

For residents on Snowden Lane between Van Dyke Road and Herrontown Road, please have your garbage and recycling ready the night before the pick-up day, as the hauler has been requested to do a pick-up prior to ICUNJ work start at 7 am within the road closure area.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Richard Decker, Princeton Project Inspector – rdecker@princetonnj.gov or 609-751-6826 (cell);
- Alina Ferreira, P.E., Assistant Engineer – afferreira@princetonnj.gov or 609-921-7077 x 1285.

**NJAW WATER MAIN IMPROVEMENTS WORK
BETWEEN FRANKLIN AVENUE AND OVERBROOK DRIVE**

NJAW is proceeding with new water main project on Snowden Lane. **On Monday, October 17th and through Friday, October 21st, weather and scheduling permitting, NJAW's contractor, CRJ Construction plans to connect the new main to the existing main at the intersections between Franklin Avenue and Overbrook Drive. While this work is proceeding, Snowden Lane will be closed to through traffic by-block between Franklin Avenue and Overbrook Drive during the working hours of 9 am to approximately 4 pm.** For questions regarding NJAW work, please contact Mr. John Thomas, NJAW Construction Inspector, at 908-380-7367.

Should inclement weather occur, the work will proceed the following business day. The roadway will reopen at the end of each work day. Residents are advised to use caution when driving within the road closure area and allow additional time for travel. Provisions will be made for emergency services vehicles and for continued services such as brush collection, mail delivery, garbage and recycling pick-up.

To facilitate ease of communication regarding the project, please email jredeyoff@princetonnj.gov to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E., Assistant Engineer
