IMPORTANT NOTICE REGARDING VALLEY ROADWAY WORK BETWEEN WITHERSPOON STREET AND NORTH HARRISON STREET

On Monday, August 22nd and through Friday, August 26th, ICUNJ will continue with installation of top soil and seed in the areas disturbed by the installation of the sidewalk, storm drainage, and sewer. In addition, Lancha Construction Corporation, a subcontractor to ICUNJ for concrete work, will continue the installation and replacement of sidewalk, curb ramps and installation of concrete driveway aprons on Walnut Lane (on the west side between Valley Road and Hickory Court) and at the intersections of Valley Road / Witherspoon Street and Valley Road / North Harrison Street.

While this work is proceeding, Valley Road will be closed to through traffic, by block, between Witherspoon Street and North Harrison Street during the working hours of 7 am to approximately 5 pm.

When concrete sidewalk and driveway aprons are installed at your driveway, access to your driveway will be prohibited for 48 hours. Please park in a legal space on a nearby side street. The residents whose driveways will be directly affected by this work will be notified via paper notice.

Should inclement weather occur, the work will proceed the following business day. The roadway will reopen at the end of each work day. Residents are advised to use caution when driving within the road closure area and allow additional time for travel. Provisions will be made for emergency services vehicles and for continued services such as brush collection, mail delivery, garbage and recycling pick-up.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Richard Decker, Princeton Project Inspector – rdecker@princetonnj.gov or 609-751-6826 (mobile);
- Alina Ferreira, P.E., Assistant Engineer – aferreira@princetonnj.gov or 609-921-7077 x 1285.

To facilitate ease of communication regarding the project, please email jredeyoff@princetonnj.gov to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E., Assistant Engineer
