

Valley Road Project Update 10-21-16

Good afternoon. Please note some major drainage pipe work may take place on Valley Road at Walnut Lane and Harris Road at the end of next week. The earliest possible date is Friday October 28. The contractor, ICUNJ, is also currently working on Snowden Lane and as such, work on Valley Road will commence only after certain progress is made on Snowden Lane.

When this work is set to commence, Valley Road will be closed by block in the areas of work. A follow up notice will be distributed prior to start of work.

Thank you,

Jeff Laux
