Director of Engineering

May 1, 2014

IMPORTANT NOTICE REGARDING MERCER ROAD RESURFACING

Beginning on Tuesday, May 6, weather permitting, Top Line Construction Corp. will be working on Mercer Road, near Gallop Road west and proceeding towards the Quaker Road intersection, commencing with road repairs. Portions of roadway will be milled and paved with new road base material. **Mercer Road will be closed to through traffic during hours of 7 am to 5 pm from Province Line Road to Quaker Road. Also, Hutchinson Drive will be closed to through traffic. Quaker Road intersection will remain open at all times.** Please use caution when accessing your homes.

The Phase I road work closure is expected to be in effect for one week, weather permitting. The final surfacing of the road (Phase II) will be done in June and you will receive additional notice prior to the work proceeding.

Contractor will park construction vehicles on Gallop Road for overnight vehicle storage. This will not interfere with any driveways on Gallop Road.

Provisions will be made for continued services such as brush collection, mail delivery, garbage and recycling pick-up. The road will be reopened to full two-way traffic and parking at the end of each work day.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Alina Ferreira, P.E., Project Inspector – aferreira@princetonnj.gov or 609-917-4287 (please note the corrected cell number)
- Robert Kiser, P.E., Director of Engineering – rkiser@princetonnj.gov or 609-921-7077 x 1226
- Lt. Robert Currier, Princeton Police Department – rcurrier@princetonnj.gov or 609-921-2100 x 2115

If you are not currently receiving email updates about this project, please email aferreira@princetonnj.gov to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira

Alina Ferreira, P.E.
Construction Engineer
