ANIMAL TRAP RELEASE FORM

In order to work with Princeton Animal Control for the purpose of trapping animals, I agree to the following conditions:

_____ I understand that there will be a trap on my property

_____ I will allow Animal Control designees to go onto my property in my absence to check on and remove traps. You will be responsible for checking for animals in the trap(Traps will be removed Friday, pending holidays and other events.)

_____ I understand that if a trap is lost from my property, I will **not** be allowed to use this trapping service again.

_____ I realize that this trap will not be intentionally used to catch non-target animals. Any non-target animals caught will be released on site.

_____ I understand that if the trap is lost or damaged I may be required to reimburse Princeton Animal Control for the cost of the trap.

_____ Princeton Animal Control is not responsible for any injury to persons who attempt to remove any animal from this trap. It is clearly understood that all servicing of traps will be done by Animal Control staff.

**Opossums and raccoons may be relocated to immediate natural areas as designated.

I have read and agree to these conditions.
