WIC is a FREE service that provides nutrition education, breastfeeding education/support, immunization screening, checks for nutritious foods, health care referrals and voter registration!

Who is eligible?

- Pregnant women (up to six weeks after delivery)
- Postpartum (up to six months after delivery)
- Breastfeeding (up to one year if you continue breast feeding)
- Infants
- Children under five years old

Applicants must live in New Jersey and meet income guidelines.

WIC services are available to anyone who resides in New Jersey and meets the program guidelines regardless of race, color, national origin, gender, religion, age, or disability.
