Health Officer

October 22, 2015

IMPORTANT NOTICE REGARDING ODORS IN THE VICINITY OF THE PARKING GARAGE ON HENRY AVE.

The following is an update regarding odors in the vicinity of the parking garage located on Henry Ave., adjacent to the former hospital site.

- Solvent/paint like odors have been reported in the area surrounding the former Hospital parking garage on Henry Avenue. On Wednesday, October 21, Princeton Health and Engineering Departments responded to the area and identified odors consistent with the descriptions provided by the nearby residents.
- The odors have been identified as originating from the parking garage which is currently being resurfaced with a polyurethane waterproofing material. The Mercer County Division of Public Health who has the authority to enforce New Jersey odor and air pollution regulations has been contacted and is working alongside Municipal Officials during this investigation.
- The application of the material on the parking garage surface is expected to be completed by Friday, October 23rd.
- Odor complaints in the vicinity of the parking garage can be directed to the Princeton Health Department during working hours (9 a.m. – 5 p.m.) by calling (609) 497-7610. After hours complaints should be directed to the non-emergency Princeton Police Department phone number at (609) 921-2100. Odor investigations require the presence of the complainant at their home at the time of investigation by the enforcement official.
- The Materials Safety Data Sheet for both the primer and top coat polyurethanes will be posted on the Municipality of Princeton website homepage.

If you have any questions or concerns please contact the Health Department at (609) 497-7608 or at jgrosser@princetonnj.gov
