ROBERT V. KISER, P.E.
Director of Engineering

May 18, 2015

IMPORTANT NOTICE REGARDING WORK AT THE HOSPITAL SITE

The following is an update regarding work at the Hospital Site. Please refer to prior notices regarding additional background information not included here.

- Yanuzzi Construction, the demolition contractor has substantially completed their work. Yanuzzi will be crushing the small amount of concrete that remains (see photos below) and will be removing their equipment from the site late this week or early next week.
- The site contractor, Mountain View Construction will begin this week with the excavation work to install the footings and foundation for the Avalon Bay building closest to Witherspoon Street. The week of May 25th Mountain View Construction plans to start the installation of on-site utilities.
- Work on the parking garage is continuing. The work on the upper deck is now complete and the contractor is working to complete repairs on the lower deck areas. (see photos below)
- The site continues to be monitored on a regular basis by representatives of the Municipal Building, Engineering and Health Departments along with the Whitman firm. In addition, representatives of the Department of Labor continue to visit the site as well. Workers continue to be found to be qualified and properly certified for the work that they are performing and have been observed to follow proper safety protocols.
- The Princeton Health Department is continuing to provide noise monitoring when needed. Any noise related complaints should be directed to the Engineering Department and on days that the Municipality is closed please call the Princeton Police Department at 609-921-2100, who can relay any concerns to the appropriate individuals.

If you have any questions or concerns please contact the Engineering Department at 609-921-7077 or at cceballos@princetonnj.gov.
