

Municipality of Princeton | Renovation of

Mary Moss Playground Park

Mary Moss Playground Park, located at the corner of John and Lytle Streets in the Witherspoon-Jackson neighborhood, serves one of our community's most diverse and densely populated areas.

The Municipality of Princeton seeks neighborhood suggestions regarding the planned upgrade and revitalization of Mary Moss Playground Park.

Please join us on Wednesday, March 9, 2016 at 6:30 PM for a hands-on design planning activity in the Community Room at 400 Witherspoon Street. Mary Moss Playground Park has been a well-loved fixture in our community for many generations, and we need your help to ensure that the legacy of this important recreation space will endure for generations to come.
