ROBERT V. KISER, P.E.  
Director of Engineering

June 10, 2014

## **IMPORTANT NOTICE REGARDING MERCER ROAD WORK**

The Mercer Road work has been progressing on schedule. The driveway apron resurfacing, curbing installation and resurfacing of 50' apron areas at each intersecting streets on Mercer Road have been completed to date.

**On Wednesday, June 11th, weather permitting, Top Line construction will be installing a leveling course of pavement on Mercer Road from the Lawrence Township Line to the Quaker Road intersection. During this operation, the Mercer Road neighborhood residents will be permitted access to Mercer Road, but should plan to experience delays as the construction is proceeding. On Thursday, June 12<sup>th</sup>, weather permitting, the final paving course will be installed. On Friday, June 13<sup>th</sup>, weather permitting, the newly paved section of Mercer Road will be striped.**

**The work is expected to be completed by June 14th, weather permitting. Should the work be suspended due to rain, the work will proceed the following day. While this work is proceeding, Mercer Road will be closed to through traffic from Province Line Road to Quaker Road between the hours of 9 am to approximately 7 pm, weekdays only.**

**On June 12<sup>th</sup>, the planned day of final paving, the paving will begin at the Lawrence Township line at 9 am and will continue through the westerly Gallup Road intersection up to the easterly Gallup Road intersection, paving both lanes. After this work is complete, the section between the westerly Gallup Road intersection and the Lawrence Township line will be re-opened to residents. The paving operation will then proceed from the easterly Gallup Road intersection towards the Quaker Road intersection. We request that all properties, which have direct driveway access to Mercer Road, including residents that reside on Hale Drive or Worths Mill Lane, park on Hutchinson Drive, Carriage Way and Gallup Road and walk to/from your home. You can move your vehicle after the road has been re-opened later that evening.**

Provisions will be made for emergency services, mail delivery to the extent feasible, and school bussing during this phase of the work. The road will be reopened to full two-way traffic at the end of each work day and will remain open until the start of next work day.

The repair of Quaker Road in the area of the D&R Canal is planned to be done on or about June 23<sup>rd</sup>. You will receive additional notice prior to that work proceeding.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Alina Ferreira, P.E., Project Inspector – [aferreira@princetonnj.gov](mailto:aferreira@princetonnj.gov) or 609-917-4287 (cell phone)
- Robert Kiser, P.E., Director of Engineering – [rkiser@princetonnj.gov](mailto:rkiser@princetonnj.gov) or 609-921-7077 x 1226
- Lt. Robert Currier, Princeton Police Department – [rcurrier@princetonnj.gov](mailto:rcurrier@princetonnj.gov) or 609-921-2100 x 2115

**If you are not currently receiving email updates about this project, please email [aferreira@princetonnj.gov](mailto:aferreira@princetonnj.gov) to be added to the project email list.**

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

*Alina Ferreira*
