

To Our Neighbors in Princeton:

As part of our effort to supply clean drinking water and superb service we will be starting the third and final stage of the Random Rd project. On or about 10/15/14 we will be starting the milling and resurfacing of Random Rd. Please expect traffic to be altered. Access will be given to residences but closed to the public. Thank you for your patience; it's been a pleasure to service you.

**If you have any questions regarding this matter please contact Mr. Dave Scott  
Construction Inspector at (908) 295-1496**

**Sincerely,**

**New Jersey American Water**
