BOARD OF HEALTH

Five members are appointed by Township Committee for three-year overlapping terms, and are responsible for maintaining public health services in the Township. All members of both Township and Borough Boards of Health are members of the Princeton Regional Health Commission which administers Health Department affairs for both municipalities. The Township Board of Health holds only one regular meeting each year for purposes of reorganization.

Board of Improvement Assessors

The Board of Improvement Assessors meets as required to determine improvement benefits and assessments to properties whenever a local improvement is completed and is to be assessed. This Board holds public hearings on the proposed assessment and when applicable, damages. The final determination of the Board is referred to Township Committee for final action at a regular public meeting. Affected property owners are notified as required by law concerning any action of the Board or governing body.

Princeton Township Flood & Stormwater Management Committee

Formed by resolution originally adopted on November 15, 1971 and amended on March 7, 2005, this task force is composed of a member of Township Committee, the Environmental Commission, an employee of the Township engineering staff, and four citizens. The Committee is charged with the responsibility of conducting investigations and studies concerning flooding and other stormwater management issues in the Township and cooperating with other governmental or private agencies having an interest in flooding and stormwater management issues. This Committee reports directly to Township Committee and is advisory to the Princeton Regional Planning Board and the Zoning Board of Adjustment.

Princeton Cable Television Committee

The Cable Television Committee was formed on October 31, 1990 to advise the governing bodies of the Borough and Township about the Cable Television franchise renewal. Early in 1992 Township Committee and Borough Council voted to have the Cable Television Committee become a standing committee to explore the many issues related to cable performance in our community. The Committee meets on the first Wednesday of the month at 7:30 p.m. at Borough Hall.

Princeton Alcohol & Drug Alliance (PADA)

The Princeton Alcohol and Drug Alliance promotes the advocacy, education, and provision of resources for the prevention of substance abuse in the Princeton community. It also oversees the operations of Corner House, the treatment agency located in the Valley Road Building. Named as a joint Municipal Alliance by Township Committee and Borough Council, this organization receives an annual grant from the state which it uses to support community groups in substance abuse prevention and education programs. The Alliance meets on the first Thursday of each month at 12:00 noon in the Community Room of the Township Municipal Building.

Princeton Regional Health Commission

The Commission was formed on January 1, 1976, by contract between the Borough and Township Boards of Health (Under N.J.R.S. Title 26, Article 6) to furnish public health services to both municipalities through the operation of a single health department which is located in Borough Hall. The two Boards of Health continue in existence. All members of both boards are members of the Commission, but under the Statute only two members of each are Regular Members. The others are Alternates. The Commission meets monthly, on the third Tuesday at 7:30 p.m. in Borough Hall.

Princeton Regional Planning Board

The Regional Planning Board of Princeton meets in public session on the first and third Thursday (with exceptions) of each month in the Township Municipal Building at 7:30 p.m. The Planning Board's primary responsibilities include: review of land use applications in accordance with state and local regulations, development of the Princeton Community's Master Plan, and recommendation of revisions to the land use ordinances to the governing bodies. The Planning Board is a regional board with members appointed by the governing bodies of the Township and the Borough.

Site Plan Review Advisory Board

Originally established in 1967 and called the Environmental Design Review Committee, this committee was reorganized as a joint Borough-Township Board in 1975, and reports directly to the Regional Planning Board of Princeton, or the Zoning Board of both municipalities. This advisory committee reviews all developmental proposals except those for single and two family residences, prior to approval of any building permit. Formerly serving at the pleasure of the Mayor, Township members serve four-year terms. Borough members serve a six- year term. SPRAB meets the second Wednesday of each month at 7:30 p.m. in the Township Municipal Building.
