Sec. 24-5. Issuance standards.

The municipal clerk shall issue a permit as provided for in this article when, from a consideration of the application and from such other information as may be otherwise obtained, he finds that:

(a) The conduct of the parade will not substantially interrupt the safe and orderly movement of other traffic contiguous to its route.

(b) The conduct of the parade will not require the diversion of so great a number of police officers of the municipality to properly police the line of movement and the areas contiguous thereto as to prevent normal police protection to the municipality.

(c) The conduct of such parade will not require the diversion of so great a number of ambulances as to prevent normal ambulance service to portions of the municipality other than that to be occupied by the proposed line of march and areas contiguous thereto.

(d) The concentration of persons, animals and vehicles at the assembly point of the parade will not unduly interfere with proper fire and police protection of, or ambulance service to, areas contiguous to such assembly area.

(e) The conduct of such parade will not interfere with the movement of fire fighting equipment en route to a fire.

(f) The parade is scheduled to move from its point of origin to its point of termination expeditiously and without unreasonable delays en route.

(g) The parade is not to be held for the sole purpose of advertising any product and is not designed to be held purely for private profit.

(h) There is not outstanding an approved permit for another parade for a time and place that is so proximate to that applied for as to constitute a conflict therewith.

Sec. 24-6. Denial generally; notice.

The municipal clerk shall act upon the application for a parade permit within three business days after the filing thereof and shall, within such time, notify the applicant of his action and, in the event of a denial of the permit, the reasons therefor. A permit may be denied in writing based upon the issuance standards set forth in subsection 24-5. In case more than one application shall be received for parades on the same date, the application first received shall be granted if it complies with all the requirements of this article.

Sec. 24-7. Appeal from denial.

Any person aggrieved shall have the right to appeal the denial of a parade permit to the council. The appeal shall be taken, within three days after notice of denial. The council shall act upon the appeal as soon as practicable after receiving notice of the appeal.

Sec. 24-8. Alternate permit.

The municipal clerk, in denying an application for a parade permit, shall be empowered to authorize the conduct of the parade on a date, at a time or over a route different from that named by the applicant. An applicant desiring to accept an alternate permit shall, within three days after notice of the action of the municipal clerk, file a written notice of acceptance with the municipal clerk. An alternate parade permit shall conform to the requirements of and shall have the effect of a parade permit under this article.
