

Arts Council of Princeton presents

A PRINCETON MIX

COLLAGE MURAL DEDICATION BY ARTIST NANCY SHILL

Thursday, June 6, 5:00 - 6:30 pm Remarks at 5:45 pm

Witherspoon Hall, 400 Witherspoon Street FREE

To honor and recognize the newly consolidated town of Princeton, **Nancy Shill**, the Arts Council of Princeton's Spring 2013 Anne Reeves Artist in Residence, created a collage mural made entirely of materials found or collected in Princeton. Nancy's approach is to represent a specific location in which she collects the content material for her collages and this public artwork creatively represents the life and culture of our newly consolidated town. Also on view on Thursday will be collages by students who participated in her April workshop series. The dedication will take place outside of the council chambers at Witherspoon Hall, where the mural will be on long-term display.

For more information, please call 609-924-8777 or visit artscouncilofprinceton.org

The mural dedication is supported in part by generous contributions from the New Jersey State Council on the Arts, the town of Princeton and the Anne Reeves Fund for the Community Arts Initiatives and the ACP Artist-in-Residence Program.
