Land Acknowledgement: "We gather today on the land of the Lenni Lenape. As members of the Princeton community, we aspire to show appreciation, respect, and concern for all peoples and our environment. We acknowledge the genocide and continuous displacement of indigenous peoples and the harm inflicted upon the indigenous communities and people of color across the country. We honor the Lenape and other Indigenous caretakers of these lands and waters, the elders who lived here before, the Indigenous today, and the generations to come. We further acknowledge the millions of enslaved Africans and their descendants on whose backs this nation was created."
