**RESOLUTION 20-412**

---

---

**Resolution Extending Contract Term for Traffic Signal Electrical Maintenance & Construction Services Contract in the Not to Exceed Amount of \$16,000.00 to Cray Electric for a Two-Month Term Ending on February 28, 2021**

WHEREAS, on January 13, 2020, Princeton Council awarded a contract to Cray Electric for Traffic Signal Electrical Maintenance and Construction Services for a term of one year (the “contract”); and

WHEREAS, the contract is scheduled to expire on December 31, 2020; and

WHEREAS, the Municipality of Princeton received bids pursuant to the Local Public Contracts Law for a new services contract but rejected same because the only bid substantially exceeded Princeton’s cost estimates and appropriation for a new contract which would commence in 2021; and

WHEREAS, while the Engineering Department determines the best course for Princeton following the expiration of the contract with Cray Electric, the Municipality seeks to extend the term of the contract until February 28, 2021, for an extension of two additional months; and

WHEREAS, Cray Electric has offered to continue to provide the services under the contract subject to the 2020 fees; and

WHEREAS, Cray Electric has been performing the services under the contract in an effective and efficient manner; and

WHEREAS, the maximum amount of the contract, as extended, for services from January 1, 2021 to February 28, 2021, shall not exceed \$16,000.00; and

WHEREAS, the Chief Financial Officer has certified that sufficient funds are available for this contract extension in 04-215-18-007-076-327.

**NOW, THEREFORE, BE IT RESOLVED** by the Princeton Council on this 21<sup>st</sup> day of

December, 2020 that:

1. The Traffic Signal Electrical Maintenance and Construction Service Contract with Cray Electric is hereby extended until February 28, 2021, that is, for an additional term of two (2) months.
2. Based on the existing contract, the total not-to-exceed contract amount for the term of the extension shall be up to \$16,000.
3. All remaining provisions of the Traffic Signal Electrical Maintenance and Construction Services Contract not inconsistent herewith shall remain the same.
4. This contract extension is awarded pursuant to N.J.S.A. 40A:11-15 because Cray Electric has performed the services in an effective and efficient manner.
5. This Resolution, when countersigned by Cray Electric, shall serve as an amendment to the original Traffic Signal Electrical Maintenance and Construction Services Contract for the purpose of confirming the extension of the contract term until February 28, 2021 and not-to-exceed contract price of \$16,000 for the extended period.
6. A copy of this Resolution shall be placed on file in the Office of the Municipal

MUNICIPALITY OF PRINCETON
