

RESOLUTION 21-174

Resolution Authorizing the Sewer Engineer to Execute Treatment Works Approval

BE IT RESOLVED by the Mayor and Council of the Municipality of Princeton hereby authorizes Andrew Filippi, PE, Sewer Engineer, to execute certification of consent by the governing body and certification of consent by the wastewater conveyance system owner on Treatment Works Approval Applications as part of any development submission to the New Jersey Department of Environmental Protection for sewer extension, upon determination that the conveyance system has adequate capacity and that the proposed sewer extension conforms with the requirements and conditions of all municipal ordinances, resolutions and regulations and otherwise should be approved consistent with the health, safety and welfare of the Princeton community.
