

RESOLUTION 19-150

Resolution in Support of the New Jersey Department of Transportation's Project to Replace the Delaware and Raritan Canal Bridge on Alexander Road in the Township of West Windsor

WHEREAS, Alexander Street (Alexander Road in the Township of West Windsor) serves as an important, integral transportation corridor for the Municipality of Princeton and the surrounding municipalities due to its connection to US Route 1 and to the Princeton Junction Train Station; and

WHEREAS, the County of Mercer has informed Princeton of their plans to replace two structurally deficient bridges on Alexander Street near the West Windsor border beginning later this year; and

WHEREAS, New Jersey Department of Transportation (NJDOT) has informed the Municipality of Princeton of their plan to replace the structurally deficient Alexander Road Bridge over the Delaware and Raritan Canal ("Plan") located at the West Windsor border; and

WHEREAS, NJDOT, to their credit, has agreed to adjust the schedule and funding for their project so as to allow the phasing and timing of their project to coincide with Mercer County's project in a concerted effort to minimize the duration of problems with circulation and traffic congestion that will be caused by the closure of Alexander Road for both projects; and

WHEREAS, the Mayor and Council are in agreement with the Plan by NJDOT and support the NJDOT to replace the structurally deficient Alexander Road Bridge over the Delaware and Raritan Canal, the timing of which is to coincide with Mercer County's project, to the extent practicable.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and Council of the

Municipality of Princeton support and endorse the NJDOT Plan to replace the structurally deficient Alexander Road Bridge over the Delaware and Raritan Canal.
