

Mini-System #35 Sewer Rehabilitation Project

Princeton, NJ

2/23/2022 | 6:00 PM

Mini-System #35 serves the area north of the intersection of Mount Lucas Road and Cherry Hill Road. This Project also includes the sewer that extends along Mount Lucas Road towards Princeton Avenue.

Staff Introductions

- ▶ Princeton Staff
 - ▶ Deanna Stockton, Municipal Engineer
 - ▶ Jim Purcell, Assistant Municipal Engineer
 - ▶ Andrew Filippi, Sewer Engineer
 - ▶ Dominick Itzi, Sewer Operations Manager

- ▶ Arcadis Staff (Design Consultant)
 - ▶ Jim Shelton
 - ▶ Vishal Shah
 - ▶ Matt Dreishbach

The Project involves repair work on both the public sewer pipes (mains) and the private sewer pipes serving each property (laterals) in the Project area.

- A Right of Entry Agreement and a Cover Letter were mailed to every property owner.
- Access Figures (Exhibit A) were only sent to property owners with maintenance holes (manholes) on private property.
- Trucks will need to access maintenance holes. All other access is likely to be limited to foot traffic.
- Any lawn/landscape disturbance will be repaired to pre-construction conditions.
- Signed Right of Entry Agreements should be mailed or dropped off to 400 Witherspoon St, Princeton, NJ.
