

PSE&G Gas System Upgrade Paving Notice

Crisdel Construction Corporation, PSE&G's paving contractor, will be returning to Princeton in June to complete pavement restoration on roads impacted by the 2019 PSE&G gas service modernization program. All dates provided below are weather-dependent; if work is delayed due to weather, it will be rescheduled to the following business day.

On June 8 and 9, 2020 Crisdel will be milling and resurfacing the westbound / southbound lane of Route 27 (Princeton Kingston Road / Nassau Street) during the hours of 7:00 pm and 7:00 am. The work area limits are Harrison Street to Poe Road.

Beginning June 15, Crisdel will undertake milling operations on portions of the following municipal roadways. Work hours are 7:00 am to 7:00 pm, Monday through Friday.

- Snowden Lane between Rt. 27/Nassau Street and the new paving joint at Wheatsheaf
- Hornor Lane between N. Harrison Street and Hamilton Avenue
- Markham Road between Nassau Street and 60' south of Patton Avenue
- Carnegie Drive between Princeton Kingston Road and Prospect Avenue
- Poe Road between Princeton Kingston Road to near House #24 Poe Road
- Dodds Lane between Bertrand Drive and Shadybrook Lane
- Leavitt Lane near Fisher Avenue and near Erdman Avenue
- Southern Way between S. Harrison Street and Cedar Lane

Beginning June 17, Crisdel will undertake paving operations on these same streets listed above. Work hours are 7:00 am to 7:00 pm, Monday through Friday.
